

# GK HANDHELD REBOUNDER

STEP BY STEP INSTRUCTIONS

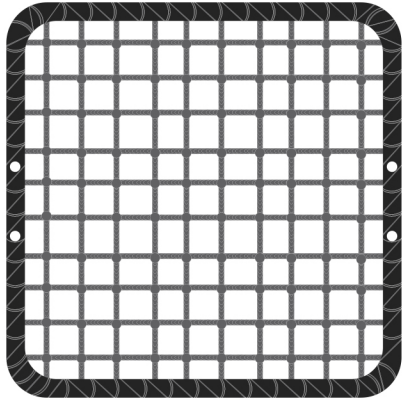

[SOCCERINNOVATIONS.COM](http://SOCCERINNOVATIONS.COM)

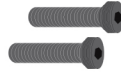

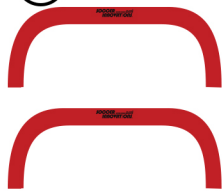

**1**

Use the following parts and follow each step.

**A** Rebounder

**B** Handles

**C** Handle Bolts

**E** Allen Key

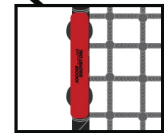

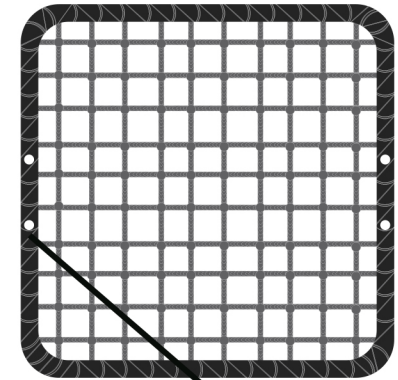

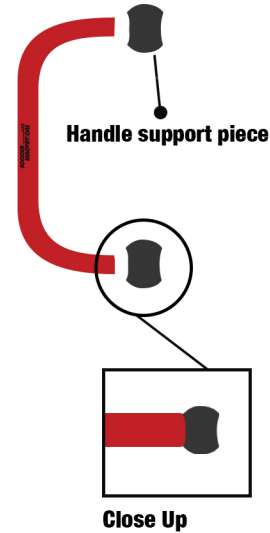

**D** Handle Support Pieces

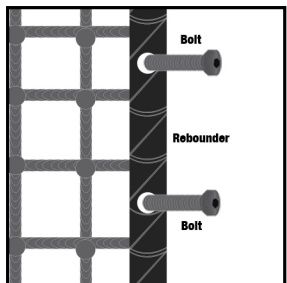

**2**

Grab one red handle then use the handle support pieces to connect the handle to the rebounder.

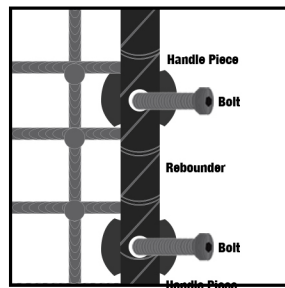

**Tip:** Make sure to hold the handle piece, it may fall off

**3**

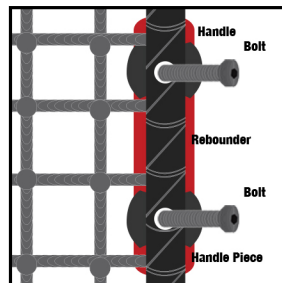

Insert handle bolts through rebounder, then screw bolts into handle using **the allen key to tight bolts in place**. Repeat same steps on the other side.

Bolt through rebounder hole

Bolt through rebounder and handle piece

Connecting to handle
