THE BRAND WITH THE MANNEQUIN

PK-PRO II

STEP BY STEP INSTRUCTIONS

SOCCERINNOVATIONS.COM

1

Use this parts on any 8' x 24' regulation size goal. (Sturdy Posts Recommended.)

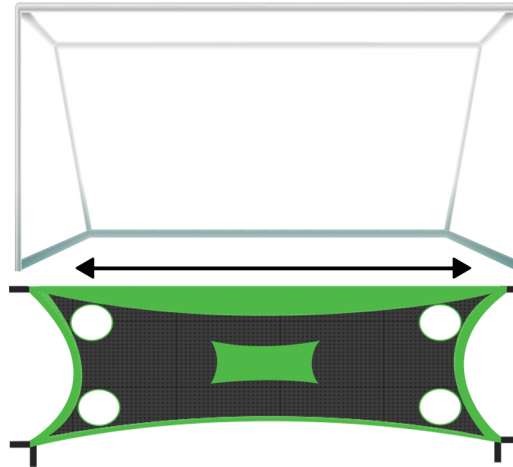

A PK-PRO 2 Net

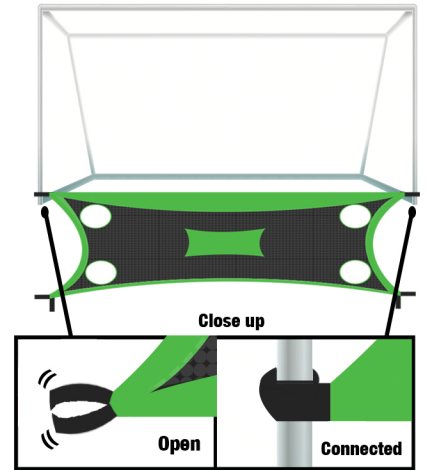

B PK-PRO CARRY BAG

2

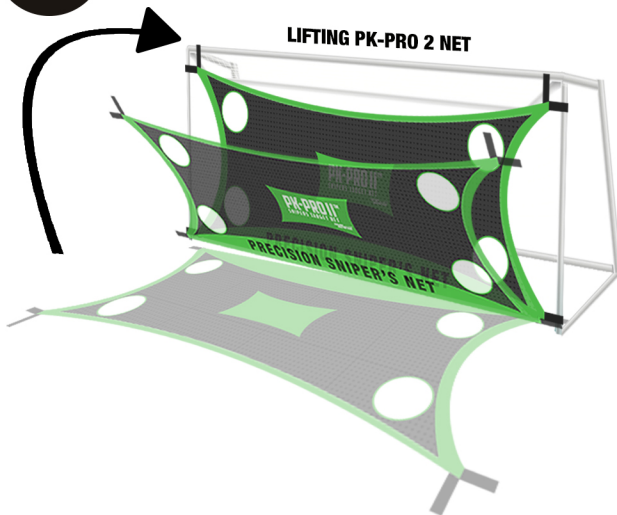

Unfold PK-Pro Net in front of the goal. Make sure bottom grommets are even with the uprights on the goal.

**3**

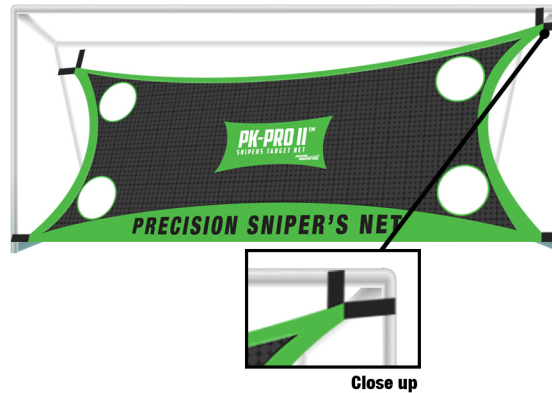

Connect lowest net section which is the widest part of the PK-Pro 2 net. Wrap velcro straps to lower goal pole.

**4**

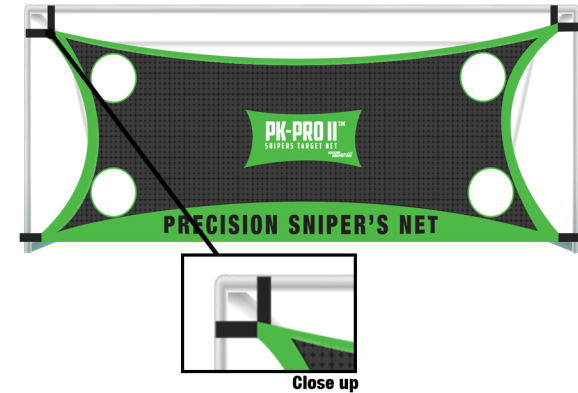

Lift PK-PRO 2 Net as shown below.

**5**

Connect the right side velcro straps to post and crossbar.

**6**

Connect the left side velcro straps to post and crossbar.

**7**

Finally tweak shape by moving and adjusting Bungee Chords, then start your training.
