

SOCCER TARGET NET

PK-PRO

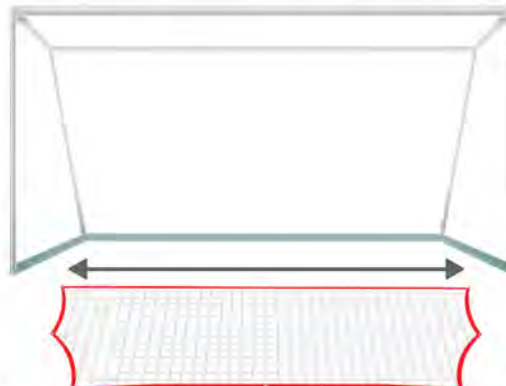

STEP BY STEP INSTRUCTIONS

1

Use this parts on any 8' x 24' regulation size goal. (Sturdy Posts Recommended.)

**2**

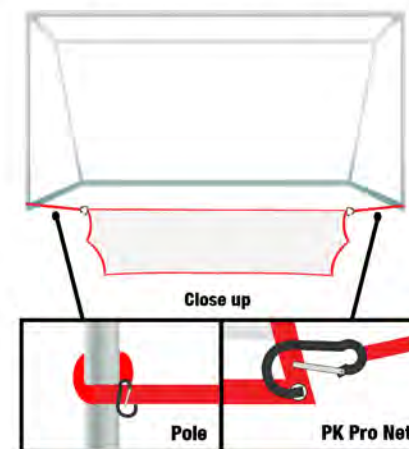

Unfold PK-Pro Net in front of the goal. Make sure bottom grommets are even with the uprights on the goal.

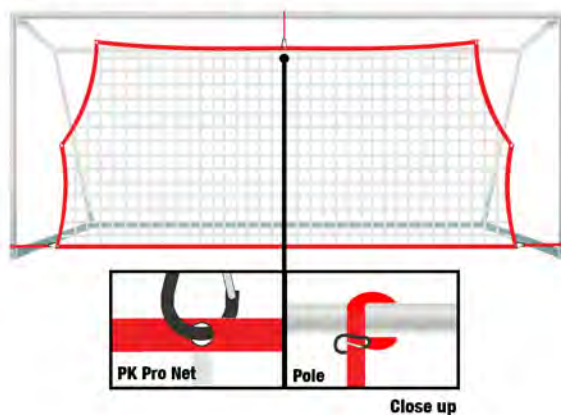

Tip: Grommets may pull out if tension is too tight. Net still functional.

3

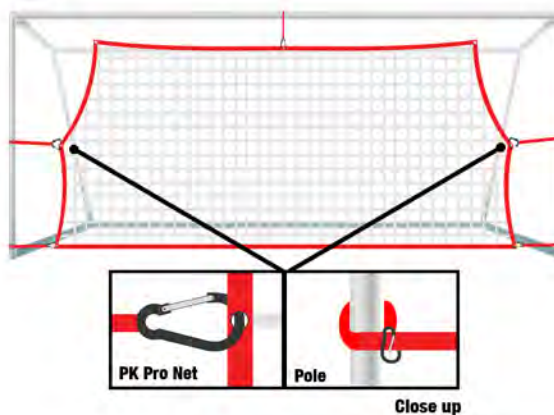

Connect lowest net section which is the widest part of the PK-Pro net. Wrap and hook bungee chords to lower goal pole.

**4**

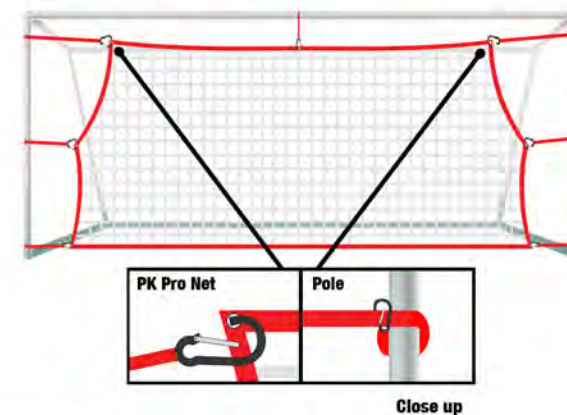

Hook bungees to PK-Pro top middle section, then wrap bungees around goal post as needed

**5**

Hook bungees to PK-Pro middle section, then wrap bungees around goal post as needed.

**6**

Hook bungees to PK-Pro top section, then wrap bungees around goal post as needed.

**7**

Finally tweak shape by moving and adjusting Bungee Chords, then start your training.
